NOTE: The classes shown are the only Championship Points Classes offered by OVKA for the 2021 race season. A proposal to add a championship points class for the following season may be presented to the Board for approval no later than the November Board meeting of the current race season. Requests to add other classes will be considered, but a minimum number of entries or ability to safely run with another class will be required at each race event in order to participate. Classes added after the November Board meeting will not be eligible for a Championship the first season they run.
