NOTE:

The classes shown are the only Championship Points Classes offered by OVKA for the 2022 race season. A proposal to add a Championship Points Class for the following season may be presented to the Board for approval no later than the November Board meeting of the current race season. Requests to add other classes will be considered but a minimum number of entries or ability to safely run with another class will be required at each race event to participate. Classes added after the November Board meeting will not be eligible for a championship the following season.
