**MAKE AS MANY COPIES OF THIS FORM AS YOU NEED**

Due to safety concerns regarding pedestrian traffic from the scales to the scoring tower and the tech impound area, all vehicles in pit spots #1 through #22 are required to remain parked until the last race competitors have entered the impound area. If you need to leave the track before the race day has ended, you should select a higher number pit spot.

Thank you for supporting OVKA. Your pit spot fee is a plus for you and the club as it goes toward covering the cost of the ambulance. Also, when you pick your spot you know it is yours for the year. **The premium spots are \$150.00 and the non-premium spots are \$100.00.** Submitting your information now will help in having spots assigned prior to the start of the season, as well as provide for new racers to know what is available. Thank you for your help. If you have questions or concerns, please call or email me (contact information is above).
