

The following notes from previous seasons are to be used as a guide for OVKA Season Banquets:

END OF YEAR AWARDS & PRIZE SCHEDULE

TROPHY AWARDS

The average amount of entries per class is used to determine how many positions will receive trophy awards. For a class to count for year-end trophies and awards, the class must average 4 karts per full race season.

- 1st thru 3rd Place: Requires a 4.0 to 7.99 class entry average
- 1st thru 4th Place: Requires an 8.0 to 9.99 class entry average
- 1st thru 5th Place: Requires a 10.0 to 11.99 class entry average

EXCEPTION: All Kid-Karts and Sportsman-age drivers with 50% or better participation receive year-end trophies.

JACKET AWARDS

Classes that meet minimum averages as stated above qualify for champion and runner-up jackets as follows:

- 1st Place: Class Champion Jacket (Black*) Requires a 4.0 or greater class average
- 2nd Place: Class Runner-Up Jacket (Red) Requires a 4.1 or greater class average

*Black jackets are reserved for Class Champions, Past Presidents, and Lifetime Members.

DRAWINGS AND RAFFLES

OVKA over the years has ~~awarded~~ prizes based on the participation of its members. By attending and competing in 50% or more of the points events, your name will be in at least one drawing/raffle for prizes that have been donated or purchased if financial resources from the year's operations permit. Banquet prizes and drawing tickets are based on the racer's level of racing participation at individual points events as follows:

- Level 1: 6 to 9 events = Lowest level prize and 1 grand prize drawing ticket
- Level 2: 10 to 11 events = Middle level prize and 2 grand prize drawing tickets
- Level 3: 12 events = Highest level prize and 4 grand prize drawing tickets.

In order to receive participation prizes and grand prizes, you must be registered for the banquet and be present at the time of drawings. Limit of one grand prize.

Volunteers who donate their time can earn volunteer credits (Vs) by working a race day in lieu of reimbursement, or by working a minimum four-hour shift on a workday or other Board-approved event (minimum ages are 10 years old for workdays and 13 years old for shows); four-hour shifts at non-OVKA events may qualify for a volunteer credit provided they are submitted via e-mail or in writing within two weeks after the event. As financial resources allow, volunteers may receive a token of appreciation based on the following levels: 3-5 Vs; 6-11 Vs; and 12 Vs and above.

RECOGNITION AWARDS

All members (except for Kid Karts (see Kid Kart Awards)) who compete in eleven (11) or more different OVKA points events will be given an award at the banquet unless they receive a trophy.

PRESIDENT'S AWARDS

The President of OVKA has the opportunity to give out special awards for various purposes typically presented at the Annual Awards Banquet.

CHAMP RACE FAST TIME AWARD

This annual event is conducted over 2-days with qualifying on Saturday for "Fast Time". The race is held on Sunday consisting of pre-final and final heats. Saturday qualifying consists of two laps; second-day qualifiers receive one lap. "Fast Time" is awarded in each Championship class for Saturday qualifiers only. Saturday qualifiers line up ahead of Sunday qualifiers. The top five finishers in each class will receive an award on race day. "Fast Time" awards are presented at the annual banquet.

****All awards, prizes, and giveaways are contingent on the financial resources from the year's operations.***
